June 2017

Dear Parent / Carer

16 – 19 Bursary Fund – Year 12 and Year 13 students

We are writing to tell you about financial support available from September for students in both Year 12 and Year 13. Although this funding is not yet confirmed, we hope this will remain the same as in previous years.

Bursary Fund

Students aged 16 – 19 who are most in need (students in care, care leavers, students claiming Income Support and registered disabled young people) will be entitled to receive a Bursary of £1,200 a year. Payments will be made monthly by the College from the Bursary Fund.

In addition, the College will be able to offer some support to other students aged 16 – 19 who face genuine financial difficulties which could prevent them from being able to continue to study here. This is at the discretion of the College and within set eligibility criteria. The support provided for students could be financial or provision of items in kind (such as bus passes) and it is at the College's discretion to decide on the amount and type of support that is awarded to individual students.

If you would like to apply for a bursary, please read the attached documents and complete the enclosed application form and return it along with copies of any relevant documents which support the application.

If you have any questions with regard to the bursary scheme please do not hesitate to contact the Sixth Form Office at the College.

Yours sincerely

A Yendell
Head of Sixth Form
