The 16 to 19 Tuition Fund

Fund: £1894

When: Term 4/5. Academic Year, 2020-2021.

What: Additional small group tuition for 16-19 students in GCSE English, GCSE Maths, and GCE Film & Media, to support mitigate the disruption to learning arising from coronavirus (COVID – 19).

Selection: Twelve students have been prioritised to access small group tuition for GCSE Maths and/or GCSE English. They have not yet achieved a grade 4 in at least one of these subjects. Four students will receive the tuition in both English and Maths, totaling 16 hours of additional tuition.

Two young people, who at 16 had not achieved a grade 5 or above in at least GCSE English or maths, were also identified for small group tuition in GCE Film/Media due to school closure disruption caused by COVID-19.

Priority was given to students that would benefit most from small group tuition. Taken into consideration was the balance of the Fund reaching as many students as possible, including students' needs, with the numbers of hours available. With school closure in the Spring Term balanced with the intention to provide face to face tuition, a period of 4-8 tuition hours per group across Term 4/5 will be provided.
