Relationships and sex education policy

1. Aims

The aims of relationships and sex education (RSE) at our school are to:

- Provide a framework in which sensitive discussions can take place
- Prepare pupils for puberty, and give them an understanding of sexual development and the importance of health and hygiene
- Help pupils develop feelings of self-respect, confidence and empathy
- Create a positive culture around issues of sexuality and relationships
- Teach pupils the correct vocabulary to describe themselves and their bodies

RSE fits in with Callington Community College's wider aims of developing students who are happy, healthy, resilient, informed, caring and open-minded. Furthermore it encourages our students to make healthy, safe and informed decisions regarding the challenges that life may present them with.

2. Statutory requirements

403 of the [Education Act 1996](#).

As a secondary academy school we must provide RSE to all pupils as per section 34 of the [Children and Social work act 2017](#).

In teaching RSE, we are required by our funding agreements to have regard to [guidance](#) issued by the secretary of state as outlined in section 403 of the [Education Act 1996](#).

At Callington Community College we teach RSE as set out in this policy.

3. Policy development

This policy has been developed in consultation with staff, pupils and parents. The consultation and policy development process involved the following steps:

- a) Review – a member of staff or working group pulled together all relevant information including relevant national and local guidance
- b) Staff consultation – all school staff were given the opportunity to look at the policy and make recommendations
- c) Parent/stakeholder consultation – parents and any interested parties were invited to attend a meeting about the policy
- d) Pupil consultation – we investigated what exactly pupils want from their RSE
- e) Ratification – once amendments were made, the policy was shared with governors and ratified

4. Definition

RSE is about the emotional, social and cultural development of pupils, and involves learning about relationships, sexual health, sexuality, healthy lifestyles, diversity and personal identity.

RSE involves a combination of sharing information, and exploring issues and values.

RSE is not about the promotion of sexual activity.

5. Curriculum

Our curriculum is set out as per Appendix 1 but we may need to adapt it as and when necessary.

We have developed the curriculum in consultation with parents, pupils and staff, taking into account the age, needs and feelings of pupils. If pupils ask questions outside the scope of this policy, teachers will respond in an appropriate manner so they are fully informed and don't seek answers online.

6. Delivery of RSE

RSE is taught within the personal, social, health and economic (PSHE) education curriculum. Biological aspects of RSE are taught within the science curriculum. Pupils also receive stand-alone sex education sessions delivered by a trained health professional (Brook).

RSE focuses on giving young people the information they need to help them develop healthy, nurturing relationships of all kinds including:

- Families
- Respectful relationships, including friendships
- Online and media
- Being safe
- Intimate and sexual relationships, including sexual health

For more information about our RSE curriculum, see Appendices 1 and 2.

These areas of learning are taught within the context of family life taking care to ensure that there is no stigmatisation of children based on their home circumstances (families can include single parent families, LGBT parents, families headed by grandparents, adoptive parents, foster parents/carers amongst other structures) along with reflecting sensitively that some children may have a different structure of support around them (for example: looked after children or young carers).

7. Roles and responsibilities

7.1 The governing board

The governing board will hold the Principal to account for the implementation of this policy.

7.2 The Principal

The Principal is responsible for ensuring that RSE is taught consistently across the school, and for managing requests to withdraw pupils from non-statutory components of RSE (see section 8).

7.3 Staff

Staff are responsible for:

- Delivering RSE in a sensitive way
- Modelling positive attitudes to RSE
- Monitoring progress
- Responding to the needs of individual pupils
- Responding appropriately to pupils whose parents wish them to be withdrawn from the non-statutory components of RSE

Staff do not have the right to opt out of teaching RSE. Staff who have concerns about teaching RSE are encouraged to discuss this with the Principal.

Edward Davis – **Curriculum Leader PSHE.**

Sara Fernandez Vazquez , Yasmine Graham, Carolyn Hurdwell, Matthew Mercer, Martin Piper, Ian Smith, Lucy Smyth, Lydia Atkins, Brian Aird, Johanna Layton and Ryan Hammond–
PSHE Teachers.

7.4 Pupils

Pupils are expected to engage fully in RSE and, when discussing issues related to RSE, treat others with respect and sensitivity.

8. Parents' right to withdraw

Parents have the right to withdraw their children from the non-statutory components of sex education within RSE up to and until 3 terms before the child turns 16. After this point, if the child wishes to receive sex education rather than being withdrawn, the school will arrange this.

Requests for withdrawal should be put in writing using the form found in Appendix 3 of this policy and addressed to the Principal.

A copy of withdrawal requests will be placed in the pupil's educational record. The Principal will discuss the request with parents and take appropriate action.

Alternative work will be given to pupils who are withdrawn from sex education.

9. Training

Staff receive an induction delivered by the Curriculum Leader, which focuses on the delivery of sensitive topics and creating a respectful classroom.

Staff are provided with guidance documents to support the delivery of all units. These documents are of particular significance for topics of a sensitive nature.

10. Monitoring arrangements

The delivery of RSE is monitored by Edward Davis, Curriculum Leader of PSHE through:

- Application of the whole school quality assurance process, this includes learning walks, book looks and student voice.
- Pupils' development in RSE is monitored by class teachers as part of our internal assessment systems.
- This policy will be reviewed by Edward Davis, Curriculum Leader of PSHE annually. At every review, the policy will be approved by the local governing board.
