

Callington Community College

Attendance Policy

Date for Review: Autumn Term 2019

Callington Community College is committed to providing an outstanding educational experience for all students. We believe that if students are to benefit from education, outstanding attendance is crucial. Poor attendance undermines progress and attainment and can lead to social disadvantage. As a College, we do all that we can to ensure maximum attendance for all students. Any problems that prevent full attendance will be identified and addressed as speedily as possible.

It is the goal of our College to celebrate achievement. Attendance is a critical factor to a productive and successful College career and establishes a good pattern for later life. Our College will actively promote and encourage 100% attendance for all our students. We recognise that parents have a vital role to play and that there is a need to establish strong home-College links and communication systems that can be utilised whenever there is concern about attendance.

Objectives

- To encourage 100% attendance and punctuality for all students
- To ensure that parents and carers are aware of attendance / punctuality concerns promptly
- To work with Education Welfare Service and other appropriate agencies to support 100% attendance & punctuality
- To record and monitor attendance and absenteeism and apply appropriate strategies for improvement
- To acknowledge and reward a successful record of attendance through the College's rewards system
- To ensure a consistent approach throughout the College
- To improve attainment and achievement of pupils through improved levels of attendance.

Statutory Duty of College and Parents

The Education Act 1996 requires parents/carers to ensure their children receive effective, full-time education, either by regular attendance at College or otherwise. Colleges are responsible for recording student attendance twice a day; once at the start of the morning session and once during the afternoon session. At Callington Community College an electronic registration system is in place. Student attendance is recorded for every lesson.

Principles

Parents/carers are legally responsible for ensuring that their children attend College. This extends to ensuring that students arrive at College on time, properly attired, with correct equipment and in a condition to learn. The College will make every effort to promote good attendance, giving advice and support where needed.

The Education Welfare Service (EWS)

The EWS is a part of Cornwall County Council. Its aim is to ensure that every child has the opportunity to benefit from a full-time education by attending College regularly. The EWS can help and advise parents and carers who may be experiencing difficulties that prevent this. It is the responsibility of parents and carers to ensure that their child attends College regularly and the EWS expects them to do all that is necessary to make sure this happens.

What happens if your child does not attend College regularly (and their absence is not authorised?)

It is a criminal offence for a child not to attend College regularly and, as the parent, this is your responsibility. A Penalty Notice may therefore be issued, requiring you to pay a fine of up to £60 per parent/carer, per child if their attendance is below an acceptable level. In certain circumstances, you may be prosecuted and be required to attend the Magistrates Court where you could face up to 3 months imprisonment and/or a fine of up to £2,500. You will be given every opportunity to improve your child's attendance and you will receive a written warning before any legal action is taken.

Statutory Attendance Responsibilities

There is a legal responsibility to have a morning and an afternoon registration.

The College will:

- Record and monitor attendance and absence. Legally we are required to do this twice a day.
- Use electronic registration system to record and monitor attendance of all lessons during the College day to ensure the safety and welfare of all students.
- Record and monitor the punctuality of all students and, where necessary, inform parents of persistent lateness and apply appropriate consequences.
- Only authorise student absence in exceptional circumstances.
- Maintain a strong home-College relationship to inform and support parents with their child's attendance. The College uses an automated system to follow up daily absences.
- Work closely with the College's Educational Welfare Officer and other appropriate agencies where there are concerns regarding attendance.

- Help to investigate, identify and resolve any issues with children and their families, which prevent full attendance at Callington Community College and will do everything possible to help return students to full attendance.
- Promote the importance of attendance through weekly assemblies, tutorial time and subject lessons.
- Celebrate and reward students who achieve 100% attendance and punctuality.

Parents will:

- Ensure their children arrive on time to College with the correct equipment and full uniform.
- Be aware that any person who has the care of a child or who has parental responsibility is responsible for ensuring good attendance.
- Ensure that they are fully aware of College attendance procedures.

Up to three Days' Absence

- It is the responsibility of the parents/carers to inform the College of the reason for a student's absence by 8:30am on the day of absence and each subsequent day.
- The College will operate the Truancy Call system and the parents/ carers of every absent student will be contacted.

More than three consecutive days' absence

- Parent/carer must contact the College on the first day of absence giving expected date of return.
- Where there has been no parental/carer notification after three consecutive days, the Tutor should contact parents/carer.
- Where there has been an absence of more than four consecutive days and parents/carers have not made contact, or cannot be contacted by College, the EWO should be informed.
- In the case of long term illness, the College should be notified so that teachers can set work. If it is known that the student will be absent for more than two weeks, the EWO should be notified.

Methods of Reporting Absences

In any case of absence, parents/carers should contact the College by one of the following methods:

1. By phone to the College
2. Email from an agreed account (i.e. the registered home email address)
3. Personal contact with the pastoral team where a note will be passed to the Tutor.

Authorised Absence

Be aware that absence from College will only be authorised if it is for the following reasons:

- Genuine illness.
- Unavoidable medical/dental appointments (but try to make these after College if possible).
- Days of religious observance.

Holidays in term time

Callington Community College does not support holidays taken during term time.

Holidays in term time are not a universal entitlement. They are only granted at the discretion of the Principal and only in exceptional circumstances. In most cases this decision is delegated to the Head of House.

Parents who take their child out of College for a holiday without authorisation could receive a Penalty Notice.

Truancy

It is the legal responsibility of parents/carers to ensure their child attends all lessons as required. The College will inform parents/carers if their child has been identified as truanting.

Students who truant will be issued with a sanction and will be expected to make up the lost time.

Persistent cases may be referred to the EWO who may consider issuing a Penalty Notice.

Punctuality

It is the responsibility of parents/carers to ensure their child attends full time education and arrives at College on time.

The College monitors punctuality and parents will be contacted if their child is not arriving on time. Persistent cases may be referred to the EWO who may consider issuing a Penalty Notice
