### How can my child achieve in Science?

- Science is a very **content-rich** subject. We learn NEW content EVERY lesson.
- Lessons are about understanding how to **demonstrate** and **apply** the content.
- Focus on the **Required practicals** and the scientific skills involved in each.
- **Homework**/revision is set **weekly** (via SMH) to help you **retrieve** the information from Year 9 & 10 (it's a **three year** course)
- Increased Maths content in all papers.
