## Geography Resources

Parent Information Evening

The screenshot shows a web browser displaying the 'GCSE Geography Classroom' website. At the top, there's a header with the title and a class code '15031902'. Below the header, there are navigation tabs for 'Stream', 'Classroom', 'Profile', and 'Grades'. The main content area is titled 'Revision Resources' and lists several items: 'Guide to the exams', 'GCSE exam Papers', and 'What makes a good answer in the exam'. Below this, there's a section for 'GCSE Topic Checklists' with items like 'Hazards Check list', 'Coasts Check list', and 'Climate Check list'. The browser's address bar and various icons are visible at the bottom of the page.

### How can you help...?

- Have a space away from multimedia to work quietly without distractions
- Purchase the revision guides and work through the example questions
- Use the checklists on Google Classroom to make sure you have covered all the content
- Attempt the past papers on Google Classroom. Save one of the papers to attempt under exam conditions at home.
- Go back to look at what you can improve on and focus your revision on these areas.
